INTERVIEW SUMMARY

We thank Examiner Steven Sax for the telephonic interview conducted on November 26, 2010 at about 11:00 a.m. Eastern time with the undersigned. Potential amendments to claims 45 and 51 were discussed with respect to the cited art, but no agreement regarding specific language was reached. The issue of whether addition of a computer readable medium claim is an error that supports a broadening reissue was discussed. Although no agreement was reached, we thank the Examiner for his consideration and time.

A later interview with Examiner Sax was conducted by Nicholas Peters by telephone on March 10, 2011 regarding why the original declaration is considered deficient. Examiner Sax referred Mr. Peters to Special Examiner Eddie Lee.

Mr. Peters conducted a telephonic interview with Examiner Lee on March 15, 2011

regarding the declaration filed in this application. Although no agreement was reached, we thank Examiner Lee and Examiner Sax for their time regarding this issue.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application to Deposit Account No. 06-1135.

Respectfully submitted,
